

Andrew's Prayer Requests

CCP Dumaguete 2017

Sunday - Growth in my personal relationship with God, and a deeper understanding of the Gospel.

Monday - Unity as a Team. That we would have the convictions to stick to our team goals. Prayer as a fulcrum, Evangelize, Adapt and die to self, Closer to each other and toward the gospel, Encourage and exhort one another.

Tuesday - That Christ would raise up life long worshipers in Dumaguete, Philippines. Then that the worshippers would labour in joy for Christ.

Wednesday - My brother Philip will see the gospel clearly, and come to know the Lord.

Thursday - That the team would be healthy, and able to do the Lord's work without hindrance of sickness or physical impairment.

Friday - While in the Philippines, the Lord would strip me of idols I have become jaded to in the states.

Saturday - Increase in my faith, and trusting God with the future of my life. That I would lay aside fleeting thoughts, and ambitions that are not aligned with that of the Fathers. I can trust that he has sovereign lordship over my life.
