

## Austin's Prayer Requests

CCP Dumaguete 2017

**Monday:** *Acts 17:6*

- Courage and boldness to exit my comfort zone and to go out and meet people and have spiritual conversations with people. That we would attempt to “turn the world upside down” with the Gospel.

**Tuesday:** *2 Corinth. 12:9-10*

- Health. That stomach and intestines would not go into panic mode in new environment for me and the team, but for me specifically that the arthritis in my knee as well as aching joints would not slow me down.

**Wednesday:** *Psalms 1:1-3*

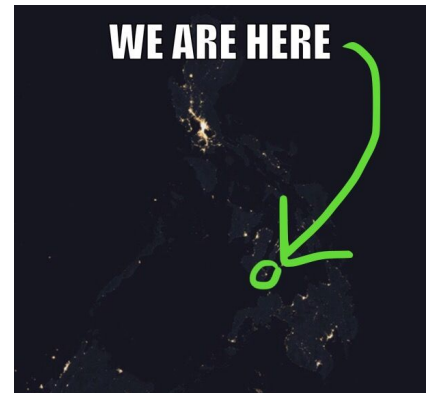

- That my walk with God would be strong growing my relationship with Him would be my biggest priority.

**Thursday:** *Matthew 9:36-38*

- Be praying for the people of the Philippines. That so many laborers will be built up on the campuses that we will need to find a new place to send our CCP teams.

**Friday:** *Hebrews 10:23-25*

- The team in and of itself. That we would love one another and support one another. Especially because we have so many different and strong personality types.

**Saturday:** *John 15:13-14*

- That I, and the rest of the team, would love others well and lay down our lives for the sake of others and each other.

**Sunday:** *Luke 9:23, Luke 22:26*

- Pray that my heart would be humble and that I would not see myself as better than anyone, but that I would be lesser than all.
