

Kymberlee's Prayer Requests

CCP 2017 - THE PHILIPPINES

SUNDAY

Pray that I grow deeper in my relationship with the Father, that I grow in my dependence on Him, and that I continually seek intimacy with Him through prayer and His Word. (Ps. 73:23-28; Jer. 17:7-8)

MONDAY

Pray for my interactions with the students I encounter. Pray that I would step out of my comfort zone in order to boldly and passionately share the gospel. Pray that I would be filled with God's Spirit and He would use these conversations for His glory. (Acts 4:29-31; Eph. 6:19-20)

TUESDAY

Pray for the Filipino students we come into contact with. Pray that the Lord would soften their hearts and give us favor with them. Pray that they would be open to hearing the gospel and that the Lord would use these interactions to reveal to them their need for Christ. (Mt. 13:15)

WEDNESDAY

Pray for the team, that we would each die to ourselves in order that we may love and serve one another well. Pray that our time together is fruitful and glorifying to the Lord. Pray that we continually strengthen, encourage, and point one another to the gospel. (Phil. 2:1-4; Heb. 10:24-25)

THURSDAY

Pray for joy, peace, and patience throughout the trip, and that Christ would be the source of each of these things. Pray that I would be fully present and committed to the mission at hand, and that I would not be anxious or distracted by thoughts of home, school, work, etc. (Phil. 4:6-7; Rom. 12:11-12)

FRIDAY

Pray that God would grow my vision for the lost world, that I would be burdened and broken for the lost. (Mt. 28:18-20; Ps. 67)

SATURDAY

Pray that God would build up laborers in the Philippines, particularly among the college campuses. Pray that God would grow the Filipino church, and that He would equip and empower them to live missionally, sharing the gospel and creating disciples for His glory. (Mt. 9:36-38)
